+91-9783633488 | shreyastripathy@outlook.com | Bengaluru, IN | LinkedIn Profile | Portfolio Link

PROFESSIONAL SUMMARY

Senior User Experience Designer with 10+ years of experience designing user-centric experiences for enterprise SaaS and ERP applications. Skilled in delivering efficient end-to-end UX strategy, from research and user journeys to scalable design systems. Proven ability to collaborate with product, engineering, and leadership to solve complex workflow challenges and improve user adoption.

WORK EXPERIENCE

ORACLE | Senior UX Designer | Bengaluru, IN | July 2019 - April 2026

- Led end-to-end UX strategy for construction workflows, defining user journeys, personas, and interactions
- Designed scalable design systems for 2D workflows within multi-dimensional viewers, registers, and review workflows, improving consistency and reducing design fragmentation across products
- Partnered with product and engineering to align UX vision with business and technical constraints
- Conducted usability testing and presented UX solutions to stakeholders, iterating on workflows based on user insights

APTEAN | UI/UX Designer | Bengaluru, IN | February 2017 - June 2019

- Partnered with PMs on a variety of products across disciplines like ERP, SCM, SFM, WMS, etc
- Enhanced user retention and reduced upgrade friction by overhauling legacy platforms, modernizing UX while preserving core functionality

Eurovision Edusolutions | Technical Lead | Kota/Kolkata, IN | July 2015 - January 2017
